

BHARATHIAR UNIVERSITY

COIMBATORE – 46.

INTERNAL QUALITY ASSURANCE CELL

STUDENT CHARTER

A. Institution's Responsibilities towards students

The Bharathiar University shall

1. Communicate its mission, program goals, delivery means and assessment objectives systematically to all students at the time of admission, student induction programs and students counseling programs. The University will also host this information in the website, prospectus and other student related brochures and documents.
2. Offer a wide range of academic programs and training, keeping in minds the goals and perspectives of the University and needs of the Society.
3. Deliver a range of programs at various levels through Choice Based Credit System (CBCS) with flexibility and approval of prior learning.
4. Ensure feedback at every stage of program delivery, review and curriculum redesign and its transaction whenever there is a need felt by the stakeholders of the University.
5. Identify and undertake Teaching, Research and Extension programs in accordance with the ideals of Higher Education and its role in National Development
6. Design and implement a thoroughly researched plan for monitoring student progress and provide feedback and arrange remedial programs for learning and achievement.
7. Evolve and implement an effective mechanism for student assessment, grading and certification that is reliable and valid.
8. Provide complete information to all the students about admission procedures, program requirements, fee structure, refund policies, scholarships and awards and other support services.
9. Provide academic and personal counseling.
10. Promote healthy practices and their adoption by all the stakeholders of the University.

B. Students' Responsibilities in Learning and Achievements

The student shall

1. Understand, internalize and practice the motto of the University – **'Educate to Elevate'**
2. Understand and follow the institution's mission, program goals, delivery means and assessment objectives and contribute to the realization of the same through active participation.
3. Learn thoroughly and gain adequate knowledge of the various programs, policies of admission, program requirements, assessment mechanisms and other service benefits of the institution.
4. Strictly follow the time schedule, norms, rules and regulations of various services offered by the University.
5. Make optimum use of the learning resources available at the Department and University level.
6. Participate and appreciate the continuous internal assessment and other term-end exams.
7. Give feedback for system improvement and delivery.
8. Accept and follow the principles of life long learning and support the institution in all its academic endeavors as an alumni.
